LIBBEY HIGH SCHOOL
TOLEDO, OHIO

Two great ports . . . Toledo, our hometown, and Libbey, our school . . . have been integral factors in our preparation for facing the problems of life. Just as Toledo has become a gateway for world trade through its strategic position on the St. Lawrence Seaway, so Libbey has become for its students a gateway to a greater knowledge and better understanding of the world in which we live.

A port, by its nature, is both a center of activity and a point of departure. Our city of Toledo has served as a center for preparing an ever increasing variety of shipments for their ultimate destinations throughout the world. Similarly, Libbey has helped the students chart their courses for the future so that after four years of essential preparation they can depart, equipped for success in their chosen fields of endeavor.

* KEY TO THE FUTURE *

Just as a key opens a lock, similarly our high school education will open for us a whole new future. Each friend, teacher, or experience at Libbey has been a key to add to our ability to cope with the new challenges and undertakings which life will present. And just as different keys open different locks, the knowledge and understanding which these individuals have given us will open separate doors to the world and to our maturity. Although in the future we shall meet many more influences which will mold our character and enrich our lives, we shall never forget the experiences which have played such an important role in fashioning our lives here at Libbey; for education is the key that unlocks the secrets of life and learning.

In Memoriam

MR. MELVIN MORTIMER

A true friend . . . A dedicated teacher . . . A perfect gentlemen

These characteristics mark a man who has been accorded the respect and love of students and teachers alike. With his ready smile and cheery greeting, Mr. Mortimer inspired trust and confidence in all whom he met. His gentlemanly manner and friendly approach truly reflected his kindness and consideration toward his associates and pupils. After his transfer from Macomber Vocational High School to Libbey, he rendered twenty-one years of faithful and loyal service to our school as an expert in the field of electricity and as an outstanding teacher of mathematics.

For his constancy and goodness, he merits our respect, loyalty, and love as well as the deep serenity of peace that is his now. We shall remember him in the long years ahead as a perfect gentleman and the epitome of integrity. The thought of his indomitable cheerfulness in spite of ill health will always be an inspiration to us. We shall not say farewell, for his influence will be with us throughout our lives as we strive to follow in his path of integrity and wisdom.

*"There is a destiny that makes us brothers
None goes his way alone.
All that we send into the lives of others
Comes back into our own."*

—Edwin Markham

Miss Lydia Fiedler

Retiring after thirty-eight years of service at Libbey, Miss Fiedler, head of the science department, leaves behind her a record of true dedication to the welfare of the students of South Toledo. Beginning her career here two years after Libbey was opened, she organized the first Biology Club and promoted interest in her subject. After receiving her Bachelor of Science degree from Grinnell College, she furthered her education by studying for her Master of Science degree at the University of Michigan.

Dedication

Travel has played an important part in her life; she has been to Mexico, traveled extensively throughout the United States, and voyaged twice to Europe. Her hobbies include reading and fancy cooking. Included in her plans for the future is a trip to California and the World's Fair in Seattle, Washington.

When asked to comment on Libbey she said, "I have enjoyed teaching here and watching the changes that have taken place." Miss Lydia Fiedler can truly be called a "devoted teacher."

Daniel Webster

Mr. Henry W. Lincke

By the innumerable students who have been favorably influenced by him, Mr. Lincke will long be remembered and respected. Besides his hours of classroom teaching, Mr. Lincke has also devoted his skill to being adviser of the Protection Club.

As are most members of his profession, Mr. Lincke is interested not only in teaching but also in increasing his own fund of knowledge. To attain this aim, he has spent many vacations traveling throughout the United States and Cana-

da. Proving his great interest in nature and also in bettering America, Mr. Lincke is a member of the Toledo Naturalist Association and plans after his retirement to care for 17,000 trees on his forty acre farm.

Commenting on his twenty five years at Libbey, Mr. Lincke said "I am proud to have been associated with a school which provides such great opportunities for young people. The Edelian staff is indeed proud to dedicate this 1966 edition to such a fine and inspiring teacher."

PHILO C. DUNSMORE
Superintendent

1962 still finds us in a troubled world. It is a world in ferment. Peoples everywhere are becoming concerned about the good life. They have been awakened by their contact with those who have had the benefit of education. They are making many mistakes. They are easily misdirected. But the important fact is that they want to be different from what they have been though they may not know how different. This is a wonderful time to be graduating from high school. I congratulate you on your achievement and hope for you great satisfaction in your future activities in this most challenging world.

from
Administration

This year, Libbey High School bids farewell not only to the seniors who will graduate, but to many juniors, sophomores, and freshmen who will leave to attend a new school next year. To the seniors—Congratulations! You have finished a job and are ready for new fields to conquer. To the juniors who chose to leave and to the sophomores and freshmen who have no choice: May you be happy in your new surroundings. To all who have attended Libbey during the last three rather hectic years—it is my sincere hope that you have enjoyed your stay and have found it worthwhile. Best wishes for your future and may you always retain a little love for Libbey.

In Memoriam

Robert Joseph Fox, who had a fresh, optimistic outlook on life, will always be remembered as a fine example of a typical American boy. He was especially fond of basketball and was interested in cars. He derived his greatest enjoyment from fishing. Despite the fact that life for him was a bitter struggle, he did not complain. A smile on his lips and hope in his heart. On December 11, 1961, he passed into an everlasting life and happiness. We, at Libbey, wish to express our deepest sympathy to Robert's family and friends.

*Death be not proud, though some have called it
Mighty and dreadful, for thou art not so
One short sleep past, we wake eternally.
And Death shall be no more.*

Student Council

Our Student Council is indeed one of the major ports of learning found in Libbey High School. Because of their outstanding personal traits and honorable position, the members of this organization are among our most respected students who serve as a "guiding light" to keep high the standards of Libbey.

Most memorable of the activities sponsored by the Student Council were the election of our queen and the home-coming ceremonies. Again this diligent group sponsored a very successful magazine drive, a clean-up campaign, the "Teens Against Polio" drive, and the sportsmanship contest.

Much credit also goes to the understanding advisers, Mr. Loy Rusie and Miss Shirley Haney, for their guidance and direction through another year. Truly our Student Council is one of the ports of learning at which we have received training for the future.

Edelian

The 1962 *Edelian* staff, under the direction of Mrs. M. Ier, Mr. Martin, and their assistant Miss Osborn, has attempted to preserve within the covers of this book many golden memories of the activities, social events and athletic meets which are so much a part of Libby.

From the first draft to the final publication, the clatter of typewriters has come throughout the classroom. Many hands have been identified and names listed. The pages have been arranged and galleyed for the book.

Finally, the staff presents this, the 1962 *Edelman*, with the appropriate memento of our '61-'62 voyage and relationship of Toledo, Key to the Sea and Libby.

Kept the school well informed concerning the monthly club activities, scholastic honors, athletic contests, and general school news by the vital service performed by our capable *Crystal* staff. As the reporters strive to meet the monthly deadline, typewriters hum busily, photographers scamper about and staff members write and rewrite articles as they try to devise a new way to present their news to the student body.

Again this year the *Crystal* staff, under the guidance of Mrs. Hartley, has attained its purpose of interpreting and recording in an interesting fashion all aspects of school life. In addition to providing full coverage of all social and athletic activities, they have publicized the many scholastic laurels attained by students at Libby.

Those lively girls, known as the Peries, once again brightened the halls of Libbey as they carried out their motto *Secondus Nulli, Second to None.*" This charming group of girls, in their vivid blue jumpers and white blouses, endeavored to discover and encourage original talent, to promote good leadership, and to create enthusiasm for scholarship. Under the direction of Mrs. Mericle and Mrs. Boekey, the Peries engaged in many worthwhile activities including the presentation of a Christmas basket to a needy family. In addition, the club helped sponsor the Tri-Lit Roast, the *Ideas* dance, and the annual pizza dinner. The activities of the year were brought to a close by the spring banquet and the annual Tri-Lit Dance.

Another bridge to success was crossed as the Phils concluded their busy year. Under the guidance of their advisers, Miss Lochke and Miss Ebner, the Phils served Libbes by conducting the Christmas worship service, by filling three Christmas baskets, by serving as hostesses at the first teachers' meeting, and by presenting the football team with cider and doughnuts. To raise funds for a variety of service projects and for the annual scholarship, the Phils held a bake sale, ran the concession stand during the senior play, and sponsored the sale of pencils and football tags. For social events the Phils began on a serious note with the induction of new members and ended festively with the spring banquet and Tri Lit dance held at the Secor Hotel.

Once again the Zesty Zets in red and blue plaid knee tickler skirts, fulfilled with cheerful eagerness their motto, *Vivit sine ore*. Starting their many activities in the autumn, the Zets participated in the Tri-Lit Roast During the football season, they co-sponsored the DeVilbiss mass meeting and also presented the football team with a bushel of apples. For the second year, this organization adopted a cottage of little boys at the Miami Children's Home. To help further the Libbey tradition of wearing school colors on the day of an athletic contest the Zets sold blue and gold shoe laces. Under the capable leadership of Mrs. Jean Hunsicker, the Zets climaxed their successful year with the spring banquet and the Tri-Lit dance.

Forum Literary Society

The purpose of the Forum is to benefit abbey by promoting good citizenship, leadership, and service. Keeping these objectives ever before them, the Forum-men had a year of unparalleled success under their new co-advisers, Mr. Schlievert and Mr. Hilles. At the monthly meetings prominent men in our community fostered interest in their own particular field of specialization by relating pertinent information to the members. The spaghetti dinner, which everyone always enjoys, was once again sponsored by this society. Other activities engaged in this year were the B. L. S. and a basketball game. Considering all that this club has undertaken and completed, the Forum members will always look back upon this year with pride and satisfaction.

Beginning the year with a tour of the Enrico Fermi Atom Power Plant near Monroe, Michigan, members of the Al chemist Society were given a first hand look at the recent achievements of science. The club's aim, "to stimulate the students' interest in science," was vigorously carried out as the group heard talks by prominent men of science and toured various Toledo industries, such as the Libbey Glass Company. As money-earning projects, the members sponsored a bake sale, a candy sale at Easter, and a sock hop. Activities conducted purely for fun included a Christmas party and a picnic in the spring. Under the capable guidance of Mr. Baechler and Mr. Bunn, the Alchemist Society completed its second successful year and definitely proved itself to be a "group with a future."

Utamara Art Society

By cheerfully contributing both time and talent, members of the Utamara Art Society helped promote the appreciation of art at Libbey. Throughout the entire year, schoolmates and visitors viewed the results of the students' artistic efforts in all the hallways of our school. This ambitious and talented group decorated the gym for the Cowboy Roundup and kept the goal posts attractively trimmed with blue and gold for Libbey's home football games. These artists willingly offered to share their talents with other clubs by making posters for all who desired them. To earn money, tags were sold and a bake sale was held. Under the able guidance of Mrs. Sebold and Mrs. Wenker, the Utamara Art Society completed the third year of activities since its reorganization.

Once again the Future Business Leaders of America concluded a successful year by having adhered to their purpose, "to promote a better understanding of business." As always they strove to obtain a fuller knowledge of business, commerce and a closer look at industry by inviting guest speakers to inform them about the many different phases of business. However, this club is not just a study club, for its members take part in many social activities and service projects, too. Under the competent guidance of their advisers, the outstanding leaders of Libbey's business department, the members of the F B L A. presented Christmas boxes of food and toys to needy families and held a Christmas party.

On December 11th, the members of the F B L A. were invited to the charming homes from the F B L A., who acted as guides. During

Open House, this club's booth provided many of the parents with delicious refreshments of cider and doughnuts. In addition, these business leaders again served our school by being hostesses at tea preceding the monthly teachers' meeting.

As usual the club held money-making projects besides their many social activities. Two bake sales, a potato chip sale, and a candy sale served to augment the treasury. Selling programs at basketball games was another profitable project.

In the spring the annual banquet was held at which the officers and advisers were honored. Other highlights of the year were the state and national conventions which were attended by selected members of the organization.

A cold, rainy Thanksgiving certainly didn't discourage this band of courageous majorettes!

Looking to the future, a group of students have caught a glimpse of the opportunities available in their careers as teachers. The association responsible for this project is the Future Teachers Association. This organization is composed of members of the FTA who are interested in the field of education. They have organized a series of talks by members of the FTA who are currently teaching in various schools throughout the state.

At the annual Libbey Open House visitors were courteously guided from room to room by members of the group. Throughout the year, members of the F.T.A. assisted in the classroom during the absence of a teacher. Under the sponsorship of Mrs. Hall and Mr. Hower, all members actively participated in selling book covers in order to supplement the organization's scholarship fund for qualified seniors. Concluding a successful year, the group held a spring banquet at which officers for the past term were honored.

"Service to others and the stimulation of interest in nursing as a profession" is the motto proudly upheld by the Future Nurses of America. In accordance with this purpose, the members learned about the opportunities offered in nursing and about qualities essential for the efficient nurse. Social activities during the year included an Inter-Council of Future Nurses' Tea and an induction tea at which new members were welcomed. In May the girls honored their mothers at a spring tea.

Throughout the year, Mrs. Tanner, their adviser, related to the members of the F.N.A. the fundamentals of nursing and gave demonstrations of various techniques. The many practical experiences in which the members engaged will be an inspiration to them as they enter the field of nursing.

Melodious notes of beauty and harmony again rang through the school as the orchestra under the direction of Mr. [redacted] Cull, played its way through another year. After many hours of tedious practice, the orchestra capably presented concerts on various occasions including the Open House, the Eighth Grade Visitation Day, the Senior Concert, they also rendered a medley of Christmas carols over the PA system. Truly, this year's orchestra has maintained the Libbey tradition of adding school spirit and joy to all activities.

Something new has been added to Libbey this year—the Pep Band. This exciting group, [redacted] follows headed by Jay Crawford, [redacted] is sizzling. [redacted] has been present at the basketball games 'playing up a storm.' By promoting school spirit and loyalty at all home basketball games, this group has become very popular at Libbey and is greatly appreciated by the students and faculty.

On behalf of all Libbey students, we would like to take this opportunity to thank the Pep Band for all their efforts and fine entertainment.

What a great array of musical talent we have! The L. Day St. Band is composed of the senior class on one trip represents exceptional. It is a great pleasure to listen and to perform. The students of the school are as good as the ones I have seen before. This is a great band by far. They are to be congratulated. The members of the band were the best we have ever had. The band includes now: Formation band, a band of fifteen students under Mr. Clegg, and a band of twenty students under Mr. Dorey. All the students are playing on their instruments and making a wonderful sound. We are very proud of our band.

Choir

Singing with voices clear we sang the services of the Library Year, whose hymns were heard with reverence and appreciation at Thanksgiving, Christmas and Lenten services. As well as entertaining the students of programs of this year, social and light in spirit, our present Christmas Broadcast WTDS in Toledo Public Schools station was in Open House on the first of December. A series of One-Half hours of the best young work in literary, dramatic, folk and concert items with other Toledo high schools for the annual Spring Music Festival with Toledo Mayor at President Drive by Mr. McClure, the choir climaxed its year by singing at the Baccalaureate and Commencement program.

Under the energetic leadership of their adviser, Miss Allen, the Senior Y-Teens made their last year of membership in Libbey's Y affiliated with enthusiasm to service and sociability.

In field of service the Y-Teens cheerfully volunteered for a variety of duties from working at the main YMCA to decorating the front lobby of Libbey at Christmastime. While contributing their time and talent as assistant game leaders and cooking instructors at the Weier House, the girls discovered both the fun and the rewards that come from helping others. During football season, busy Y-Teens provided refreshments of doughnuts, coffee, and milk for parents and players at a football Boosters Club meeting and once again served at the annual post season football banquet, honoring the Libbey team and

its coaches. The Y-Teens also proved themselves to be charming hostesses when they sponsored the faculty tea at the January teachers meeting.

As money-making projects to support the group's many activities, the Y-Teens sold football tags for the Woodward game and the traditional blue and gold mums for Thanksgiving. A bake sale for the always hungry Libbey students was also held.

Among the social highlights of the year was a splash party and potluck dinner at the Y W C A. early in November. A white elephant gift exchange, with surprise packages that ranged from plants to pajamas, was an enjoyable feature of the Y-Teen's Christmas party, held in Miss Allen's room.

Opportunities to all junior girls for service, activity, and social life. The Senior Y Teens welcomed to their ranks all who were interested in the community and to participate in school life. With service and enjoyment uppermost in their minds, this ever active and enthusiastic group of girls, under the leadership of Mrs. Billmaier, "gave service and friendship to all" as they presented a Christmas program for the needy family, sold candy and apples, enjoyed a picnic, sponsored a banquet in conjunction with the Senior Y-Teens and as the Y Teens look back over the events of the busy year, they can well appreciate the achievement on behalf of the school and pleased themselves in the growth of Christian character.

Sophomore Y-Teens

The Sophomore Y-Teens have come a long way since they evolved from the Sophomore Friendship Club in 1947. This club has worked hard during the past years to achieve its goal "to grow as a person; to grow in friendship with people of all races, religions, and nationalities; and to grow in the knowledge and love of God." Practicing these goals helps the girls to develop socially and spiritually. This year the Sophomore Y-Teens, with the combined efforts of officers, members, and advisers, soared to new heights of service. They sent a basket to a needy family at Christmas, went

Libbey Leaders

Sportismanship and skill, the two main qualities which distinguish Libbey Leaders, gave a strong sense of purpose to this club. By participating in intramural sports, many interested members learned the fun of competition. As Libbey Leaders, they also served as referees in gym classes. The activities of the year included the following: a volleyball play night with the G A A. of Rogers, a Christmas party at which the new members were inducted and presented with metal whistles, and the annual picnic in May. These active girls also engaged in the city-wide Physical Fitness Program which was sponsored by the P.T.A.

Active is the word for the energetic students who compose Mr. Martin's activities staff. The numerous tasks involved in conducting a smooth-running schedule of events for Libbey students require much time and effort on the part of this busy group. Among their time-consuming duties are handling activities tickets, operating the stationer's desk, selling the *Crystal*, and assisting the *Edelweiss* class by taking orders for the year book. The many details that the activities staff handles enable them to achieve their purpose of promoting interest and participation in school events throughout the year.

Classical Honor Society

In their attempt to inspire interest in the civilization of ancient Rome and to create an incentive for superior effort and high grades in Latin, the members of the Classical Honor Society again sponsored the annual trip to the University of Michigan. At several Latin banquets the members appeared appropriately attired in Roman togas and in costumes representing various mythological characters. Under the guidance of their sponsor, Mr. Jones, and a capable corps of officers including Mike Farmer, pres.; Martha Bierley, vice-pres.; Jessie Sisson, secy.; and John Collins, treas.; they strove to fulfill their motto, *Scientia Aetate Saeculorum*, 'Knowledge, Citadel of the Ages.'

To assist the needy on the local, national, and international levels was the purpose of the Libbey Junior Red Cross. Under the sympathetic guidance of Miss Virginia May, the members worked industriously to complete their annual project of sending one hundred gift boxes to underprivileged children throughout the world. In addition, the members wrapped Christmas presents for many children of Toledo and for service men in veterans' hospitals. The many pieces of costume jewelry which they collected for Toledo State Hospital helped brighten the outlook of the discouraged patients. Student leadership for this organization was provided by Christine Conant, president; Carolyn Krause, vice president; and Kathy Veith, secretary.

The exuberant
spirit of the
people

We have seen the
people of India
in their daily
occupations, in
their religious
rites, in their
festivals, in
their social
gatherings, in
their sports,
and in their
leisure hours.

W. G. Ward
The People of India

...the people of India
are a very
curious
mixture of
races, and
there is
nothing
so
peculiar
as
the
character
of
the
people
of
India.

ARE YOU SATISFIED?

Grownups know that personal grooming is important if you want to "get ahead". Teenagers sometimes forget to look at themselves objectively.

So that boys and girls could see themselves as others see them, a full-length mirror was installed in the main corridor of a high school in Buffalo, N. Y.

Boys checked shirttails and trouser lengths even started wearing coats and ties. Girls stopped to tuck in blouses or rearrange their hair. Renewed pride came to this school—all because of a mirror!

When you buy a mirror be sure it's made of L·O·F Parallel-O-Plate® glass, twin-ground for truer reflections and more freedom from distortion. You'll find a wide selection at your furniture, glass or department store.

A mirror is a must—it's hard to live anyway. Always check your appearance before going out. It's a good habit to form and others will notice.

In Memoriam

To the friends and relatives of Terry Stine, who passed away on April 28, 1962, as a result of injuries suffered in an automobile accident, we wish to express our most heart-felt sympathy. Admired by his teachers and classmates for his quiet and cooperative attitude, Terry will be greatly missed by all of us. His greatest interest seemed to be in practical work and the manual arts. By his junior year he had already attained the respect of his contemporaries as is evidenced by his office in the Ohio Chapter of the DeMolays at Calumet Temple. Although he is no longer with us, the memory of his pleasant smile and ready cheerfulness will long remain.

I cannot say, and I will not say
That he is dead - He is just away!
-James Whitcomb Riley

Bon Voyage

For the final time we come in from the sea
With another's skilled hands to steer
It's the dawn of the day when our pilot will say
Come, take hold of the helm—here

You are now on your own, henceforth faring alone
I have taught you all that I could.
You'll be able to sail in sun, storm, or hail,
If you've mastered all that you should

We're halfway chafing to weigh anchor,
To set sights for ports unknown,
Half-snared by lines that bind our hearts
To familiar things and home

Soon we'll set sail from this sheltered harbor
The world, with its seas, is ours.
We venture forth on unpath'd waters
Our eyes on the steadfast stars

—Kathe Schultz
